

Our Message

Relationships create inspiring energy service.

In any time, with any products and services, our business is based on relationships between people. The final mission of our SAN-AI Oil group is to establish steady credibility with our customers, and that credibility will consist as below;

Respect and care for customer's feelings.

Consider customer's unconscious intentions.

Supply visible and customer focused services.

To carry out this mission, each staff makes continuous efforts on each job (originality and ingenuity) in a responsible way (to abide by principles) and responds quickly with the object of customers first (quick and decisive, fast and daring). Based on these as the driving force, San-ai Oil group drives for "sales company" and grow as "energy service No.1 Company." We will contribute all the better inspiring energy service to customers and society.

Chairman Takehiko Wada
President & CEO Jun Kaneda

Commodities

Fuel

- gasoline
- aviation fuel
- kerosene
- diesel
- heavy oil

Vehicle Lubricants

- engine oil
- gear oil
- transmission fluid

Industrial Lubricants

- synthetic oil
- hydraulic oil
- gear oil
- turbine oil
- compressor oil
- other lubricants

Marine and aviation lubricants

- marine lubricants
- aviation lubricants

Industrial grease

- extreme pressure grease
- utility grease

Metalworking fluid

- cutting oil
- grinding oil
- heat treating oil
- rolling oil

Compressed petroleum gas

- propane
- deodorized gas
- butane
- motor gas

High-pressure gas

- oxygen
- nitrogen
- carbon-rich gas

- other high-pressure gases

Natural gas

- on-site energy system
- cogeneration system
- LNG supply
- Energy saving consulting
- GHP
- ESCO business
- Other energy saving equipment

Solvent & industrial chemicals

- turpentine
- dry-cleaning solvent
- various kinds of deodorized solvent
- isopropyl alcohol
- ethyl acetate
- butyl acetate
- methanol
- normal hexane
- toluene
- xylene
- high-boiling solvent
- acetone
- methyl ethyl ketone
- methyl isobutyl ketone
- ethylene glycol
- glycol ether series
- amine series
- liquid paraffin
- wax series

Commercial car wash products

- Water-repellent coating for car wash machine
- Sunshine coat series
- Car shampoo/foam/wax of car wash machine
- Car wash products by hand
- shampoo DX
- Sunshine coat SX
- foam gun
- other car wash products
- deodorant and degerming products for professional-use
- spot multi cleaner
- all purpose cleaner for professional-use
- tire wax DX
- bead wax
- window washer fluid for professional-use

Obbli car specialty

- engine rifresher
- engine rifresher D
- super LLC rehydrating fluid
- various kinds of car specialty

Biocide products

- Biocide products
- San-ai bac series
- Anti-molds products
- San-ai zol series

Simplified microbial counting equipment

- Biochecker-TTC
(all bacteria checker)
- Biochecker-M
(fungi, yeast checker)
- Biochecker-S
(sulfide generating bacteria checker)
- Biochecker-FC
(food checker for professional-use)
- SAN-AI Biochecker Dilution kit
- SAN-AI Biochecker Treatment solution

Microbial commissioned test

- test items
- bacterial counting test
- antimicrobial effect test
- minimum inhibitory concentration counting test
- anti-corrosion test
- antimicrobial test
- simplified identification of offending bacteria
- resistance to mold test

Other chemical products

- fire extinguishing agents
- San-ai super foam 23-10
(national approved)
- training foam type 3%
- secular change test
- anti-rust agents
- aporry series
- wax emulsion products
- commissioned manufacturing/filling
